

The background of the entire image is a dense, overlapping collection of small skeins of embroidery floss in a wide variety of colors, including yellows, oranges, reds, pinks, purples, blues, greens, and greys. At the top center, the brand name 'SULLIVANS' is enclosed in a white oval with a grey background.

Six-Strand Embroidery Floss

Sullivans Embroidery Floss is a premium quality, six-strand thread made from long-staple, 100% Egyptian cotton fibers, the finest in the world. It is double-mercerized for added tensile strength and to give it the soft sheen that stitchers love.

All 454 brilliant colors are guaranteed colorfast and fade resistant. Each 8.7 yard pull-skein of Sullivans Floss is convenient to use and virtually knot-free and tangle-free, due to its award winning manufacturing process.

Sullivans Floss offers the same 454 solid shades as DMC® Embroidery Floss, with the comparable DMC color number listed on every Sullivans skein. This dual color numbering on the skeins allows existing needlework designs to be stitched with superior quality Sullivans Floss easily and with superb results.

Sullivans Floss is the perfect choice for cross stitch, embroidery, punch needle, needlepoint and all types of fine needlework, plus crafting projects and activities.

Washing and Care Instructions

Sullivans Embroidery Floss can be washed in warm/hot water (up to 200°F, 95°C), preferably using non-chlorine bleach, if needed. Hand washing is recommended for fine needlework pieces stitched on fabric, although machine washing can be done using the Gentle or Delicate cycle. Once washed and rinsed thoroughly in cool water, the piece should be rolled in a towel to remove excess water (do not wring it). Air dry piece flat or in dryer on Medium Heat. If ironing is desired, press piece on the back with stitching face down on a towel, using Medium Heat (300°F, 150°C). Dry cleaning of fabric pieces may be done using any solvent except trichloroethylene. Needlepoint pieces stitched on canvas should be professionally cleaned and blocked – do not wash them using above method.

★ ★ ★ Recognitions of Excellence ★ ★ ★

Oeko-Tex 100 certification has been awarded to Sullivans Floss, confirming that no harmful chemicals are used during production and the finished product is not harmful to human health.

ISO-9000 certification has been received by Sullivans Floss for disciplined production management and superior manufacturing performance.

Intertek Eco-Textile certification has been achieved by Sullivans Floss, ensuring that its textile products and related manufacturing processes are free from the use of harmful substances and are ecologically safe.
